FEES FOR HOSPITAL TREATMENT

Fraser Health Authority is obligated to collect fees for medical treatment provided to Non-Residents and Uninsured Residents of Canada. Payment is due upon services rendered.

This pamphlet offers a cost of various treatments and procedures determined by British Columbia's Ministry of Health Services. All fees are in Canadian Dollars. **Hospital fees are the responsibility of the patient.**

NON-RESIDENTS OF CANADA

- If you are a visitor to Canada.
- If you were unable to provide proof of valid residency status, such as confirmation of permanent residency or permanent residency card, student or work visa (6 months and over).
- If you are a refugee claimant without valid Interim Federal Health Coverage for the date of service.
- If you are a visiting Canadian and not a permanent resident of Canada. This includes temporary residents.

UNINSURED RESIDENTS OF CANADA

- If you are a Canadian resident without BC medical coverage or valid medical coverage from another Canadian province.
- If you are a returning Canadian and during your waiting period of 3 months for BC medical coverage.
- If you are a Non-Canadian resident, with proof of valid residency status, i.e., landed immigration papers or permanent residency card, student visa or work visa (6 months and over). This does not include temporary residents.

PATIENT ACCOUNT NUMBER

- The wristband provided at the time of registration contains the Patient Account Number. This unique number will be used to process the payment for the hospital fees.

FEES FOR HOSPITAL TREATMENT

- The patient is responsible for all fees related to health care services provided by Fraser Health Authority
- The Patient Intake Form and minimum hospital deposit for facility fees is required at time of registration
- One or more same day outpatient visits are charged separately

Inpatient Daily Rate Includes:

- Basic diagnostic and hospital stay services

Inpatient Charges Not Included in Daily Rate:

- Subsequent visits, diagnostic fees, certain high cost supplies, CT Scans, MRI and other high cost procedures
- Physician fees are billed separately by the physicians' offices

Emergency/Outpatient Rate Per Visit Includes:

- Basic diagnostic and hospital services

Emergency/Outpatient Charges Not Included:

- Subsequent visits, diagnostic fees, certain high cost supplies, CT Scans, MRI and other high cost procedures
- Physician fees are billed separately by the physicians' offices

IMPORTANT INFORMATION

Patients who have travel insurance may provide their policy information to the registration staff at time of admission. Patients should contact their insurer directly. Fraser Health Authority will not direct bill travel insurance companies.

Patients are required to pay Fraser Health Authority directly upon receipt of provided services and then seek reimbursement directly from the patient's benefits provider. **Hospital fees are the responsibility of the patient.**

By providing an email address for this visit, the patient authorizes Fraser Health Authority to send billing information by email.
